

# Everyday Catering

## Individually Packaged Menu

Given concerns over the use of common serving utensils and communal activities in the current environment, we have developed a special catering menu with individually wrapped or packaged items for group orders. For large groups we recommend 3-4 items plus one VG/VN option.

#### DELIVERY & PICK UP CATERING POLICY

Orders must be placed before 4:00 PM prior to requested delivery date. Same day orders will be accommodated when possible. Special charges may apply, if necessary

Delivery charges quoted at time of order based on distance from our kitchen and degree of set up.

Cancellations made the day before or day of event are likely to involve a cancellation fee. We make every effort to avoid or mitigate fees, but we use fresh and perishable ingredients which cannot usually be reused once bought or in production. Often much of the labor for catering production occurs the day before the event. Inclement weather policy is the same as the standard cancellation policy. All catering vehicles are equipped for inclement travel weather.

After entering your order into our system, you will receive a catering contract for your review and approval. When requesting changes via email, please make sure you receive an updated catering contract. Changes to your order that do not receive an updated catering contract are not considered confirmed. Catering orders must be reviewed for accuracy. Cheryl's on 12th cannot be held responsible for inaccurate orders- please confirm all information is correct
